

The background of the entire page is a dark grey to black gradient with a subtle geometric pattern of overlapping squares. Two large, flowing, liquid-like shapes in vibrant blue and magenta colors are positioned diagonally, one in the upper left and one in the lower right, creating a sense of movement and depth.

FULL LINE CATALOGUE

PROUDLY CANADIAN 

MAGNUS PEN CORP

Magnus Pen Corp has been one of the leading manufacturers, importers and suppliers of promotional products to the North American market since 1988. Privately held, Magnus is a Canadian owned and operated business. Our product offering over the past five years has been expanded far beyond pens and Galleria Wall and Desk calendars to now include: knives, tape measures, flashlights, drinkware, key tags, home and office products, life style products, caps, toques, and bags. Through our Masterworks brand, we provide Contractor screening of apparel plus new this year contractor embroidery of apparel. In house facilities include silk screen machines, pad print machines, laser machines, four colour digital transfer machine, pen and screwdriver assembly equipment, and now Tajima embroidery machines. Magnus products are exclusively sold through industry distributors who resell Magnus products.

Proudly Canadian 

OFFSHORE PROCUREMENT PROGRAM HUGE SAVINGS

Virtually every product in this catalogue is now priced with the option of an offshore purchase. Prices are FOB Magnus factory in Toronto and already include duty, brokerage, insurance, container ocean freight and foreign exchange charges. Lead times are 10-12 weeks after final art approvals. Production schedules begin after art approvals. Prices are subject to change without notice due to currency fluctuations. Direct Import orders are placed on our new Ningbo office & warehouse in China. Currently Magnus has eight employees who travel to the factories to ensure your order is produced to the highest acceptable standards, these are the same people that handle Magnus stock production purchase requests every day, they know what to look for so the customer is never disappointed when the stock arrives. Every time you place a Direct Import order a pre-production sample is supplied free of charge after the order is placed to ensure your customer satisfaction.

Magnus can further customize any order by doing a custom colour match, special packaging, custom molds, multiple colour logos, and numerous other options, just ask. Your purchase does not even need to be a stock catalogue item. Our staff will source a product for you. Your production time can be shortened by air shipping all or part of the order. This typically saves 3-4 weeks and is quoted on a case basis due to fluctuations in the cost of air freight. Start today, call your CSR to learn how easy it is to obtain a quote and start enjoying those huge savings.

TEXTILE DIRECT TO GARMENT PRINTING & EMBROIDERY

ORDERS:

Orders received complete by Magnus Pen, we will process and send you a visual proof for you to check carefully and approve before we customize. Once your visual proof has been approved a ship date is assigned to your order and we start processing the order immediately. Orders in production that requires changes or cancellation. We can't guarantee that we will be able to do so base on the production status of the order. We shall try to accommodate your request. Change or cancellation that we are unable to accommodate may result in your liability for the full order price. The visual proof is the final process in your order and contains all the detailed customization and garment details, it is very important that you review this properly. After approval changes may not be possible, and any mistakes will be your responsibility.

ORDERING – PRODUCTS, SIZES, COLOURS, PRINTING TECHNIQUES AND TEMPLATES:

Magnus decorates blank clothing, garments and products supplied by Magnus or your own ware. Magnus customizes these items with printing and embroidery. All sizes and colours shown online on the catalogues are not under our control, and we cannot be held accountable for colour variations from on screen colours to real product colours, nor can we be held responsible for sizing issues. We do our very best with our Quality Controls to manage these isolated challenges. We highly recommend ordering pre-production samples to ensure these size and colour problems are not encountered. Please also note that, if a specific colour or size is received for your supplied items your ship date may not be met.

COLOUR:

For screen printing, white is commonly used as a flash base and must be choked, or trapping applied to the overlaying colours. Files to be printed as CMYK (4 colour Process) needs to be submitted in CMYK format. We recommend vector artwork or high-quality images. If you submit raster artwork (jpg, gif, etc.) ensure the image is a little bigger than the decorating area. Clearer images results in a better-quality embroidery.

ARTWORK SPECIFICATION:

Please save PSD files in or CMYK with a resolution of 300 dpi or higher at the actual size the print is to be on the product. Merge layers that rely on blending modes. Rasterize fonts layers and provide a JPG copy as a sample of what the finished print should look like.

PDFs, JPGs, GIFs and other formats: PDFs: Best saved from Illustrator or CorelDraw for the file to be edited. JPG'S: RGB mode, 300 dpi or higher, at actual size. GIFs: usually not a viable format, limited uses, best as sample image.

To convert an image jpg (bitmap) to vector format (AI, EPS, CDR) starts at minimum \$50.00 (c) per half hour. To confirm final cost, the file image should be emailed to artroom@magnuspen.com to determine the cost. Completed file will be emailed to you for approval in PDF format.

If the artworks files you provide are **not print ready** and, therefore, do not match our **artwork specifications** we will try to recreate the artwork there may be an additional charge. Artwork files that are not as per our artwork guidelines may still be printed, but the quality of the print may be lower than we would like, Magnus Pen will not be responsible, and your order will not qualify for a reprint or refund.

ARTWORK DISCLAIMER:

We will print/embroider the artwork you supply us. When uploaded or emailing us any artwork you give Magnus Pen, full consent to print the artwork or designs. You confirm that the artwork is yours to use, and/or free from copyright infringement. You accept full responsibility in the event of any copyright infringement and will fully indemnify Magnus Pen.

The visual template and online visual designer are not to scale. The size of the actual printed artworks may vary to the representation and proportions which you see online. Our goal is to always print your exact print sizes

note there may be up to a 2cm variance on print sizes and positioning.

UNACCEPTABLE FILES:

Microsoft Word, Publish It and PowerPoint files are not accepted and will require recreating. Poor resolution files will need to be recreated. A cost will be provided when we have had a chance to review the file. Please allow an additional 2 to 3 days for this process to be completed. Sub-quality and non-print ready artwork files. If you have any doubt, please contact your customer service representative.

MINIMUM LINE WEIGHT:

Please keep line thickness to one point (1pt.) or .356 mm.

PRODUCT MOCKUP/PRE-PRODUCTION SAMPLE:

Should you require a concept drawing of a shirt or item, showing how your art will look imprinted. These drawings are not to scale and should not be used to determine the actual image size. The cost is \$20.00 (C) and additional revisions add \$10.00 (E). If you require a digital email of your printed image add: \$20.00 (C) Pre-Production sample add \$100.00 (C).

PRINT /EMBROIDERY ONLY SERVICE – CUSTOMER OWN WARE:

Magnus uses the top-quality low bleed plastisol inks. We cannot guarantee against colour fastness (bleeding) when printing on synthetic fabrics & materials. We offer a print/embroidery only service whereby you can purchase the garments separately and then send them to us to be customized. In providing you this service please understand that you're sending the garments to us at your own risk. If they are lost in transit, we will not be held responsible. Please track the delivery and handle any issues that arise in delivery. In addition, we recommend test prints to ensure that the products are suitable for the printing technique that you require.

We keep a close eye on our quality control process, but, if you are supplying the products and there are problems with the print or damage to the garments due to the printing, that are not related to the print quality, Magnus will not be held responsible for any of the cost of the garments/products. We highly recommend sample prints to ensure that the items are suitable for the printing technique that you require. (Additional charges will apply). We will do our best to detect any problems as soon as they arise, and will aim to minimize the impact on any batch of the items, but some of our machines operate at fast automated speeds and therefore sometimes these issues do not make themselves apparent until the entire customization process.

EMBROIDERY DIGITIZING:

C.O.W. Pricing: Min: 24 pieces \$5.00 (C) up to 5000 stitches with supplied DST file.

Add: \$0.80 (C) for each additional 1000 stitches

Add: \$60.00 (C) setup per location.

Names add \$6.67 (C) per name

Digitizing cost add \$6.67 (C) per 1000 stitches, please advise maximum limit required, per location.

Upon request Magus will digitize your artwork. We will supply email proof for approval on all orders we have digitized, keypunched or edited. We cannot supply any type of proofs for approval on orders that customers have supplied their digitized embroidery files.

CHANGES TO ORDERS:

The following charges will apply if a customer changes an order, providing we have not yet started any production of the order there will be no charge.

If order is in production, the order cannot be changed or canceled.

The order will be charged in full (product and embroidery charges). Magnus produced a finished sample for approval and order is subsequently changed, the sample (product and embroidery and a \$60.00 (C) fee would have already been charged. Digitizing, keypunching and editing

costs would also apply as per our pricing policy. If we have provided email photographs for approval and the order is subsequently changed, one product and embroidery will now be charged as well as a \$60.00 (C) fee. Digitizing, keypunching and editing cost would also apply as per our pricing policy.

We will supply development samples; however, Pre-Production samples will be charged (product and embroidery), a \$60.00 (C) fee and digitizing charges will be applied, and samples will be shipped freight collect.

REPEAT ORDERS:

We do not provide finished samples or email photographs for approval for exact repeat orders. Customers may request a finished sample for approval of an exact repeat, such samples will be charged (product and embroidery). A \$60.00(C) charge Magnus will also apply, and samples will be forwarded freight collect. Customers can request an emailed photograph for approval of an exact repeat, such email photographs will be charged at \$60.00(C). We make a concerted effort to closely match repeat orders to the original order. An exact replication cannot be guaranteed since we may have changed sourcing to improve/maintain our quality/delivery performance. Repeat/repeat with changes and new orders, all orders have a setup charge.

APPROVALS:

If required, emailed photographs for approval (up to 4 photographs per product (front, back, left side, right side) depending on the number of embroidery locations) will be forwarded at no charge. Customers can request a finished sample for approval, such samples will be charged. (product, embroidery, DTG & running). A \$50.00 (C) fee applies, and samples will be forwarded freight collect. Magnus operates on 3% spoilage of misprint basis on customer supplied products. We will not issue a credit or replacement for the rest 4% of customer merchandise damaged or spoiled during printing. All claims for additional spoiled or damage are required in writing and damaged or spoiled merchandise returned to Magnus. Special packaging will incur additional charges. Please check with your CSR for pricing.

COLOUR MATCHING:

With Screen Printing we can match Coated Pantone Colour References, if you provide this we will match them as close as possible, with exception to our specialist inks (Puff, Reflective, Glow In Dark etc.) which may vary from the pantone by a few shades due to the effect after drying and dilution. All other printing/embroidery techniques will be the best colour match possible. Please note computer screen colours will differ from final print colours. We will not be held responsible for colour variation.

Please provide Pantone colour references with your quote requests or via email, if they apply. Failure to do so will mean we will use our expertise to best match on colours.

DIRECT TO GARMENT PRINTING – VARIANCE AND WHITE UNDERLAY CONDITION:

DTG printing is dependent on computer-controlled output. Artwork files are checked by our print managers for quality purposes, but ultimately a computer machine reads these colours and translates these colours into ink that gets jetted directly into the fabric. (Screen printing can match exact Pantone colours and is controlled by the human eye, as such is 'human controlled' not computer controlled).

DTG output is, therefore, subject to variance. This means when printing the same design several times it may not appear as sharp on one garment as another. Additionally, it may appear different on one garment to another garment. This is due to colours and materials reacting different to the inks. Sometimes, small speckles of white underlay can be seen on dark garments, this is most often due to sub-quality artwork. We try our uttermost best to avoid this. Base on this there maybe a 25% variance and white underlay condition, and any issues of this nature fall outside of our **reprint and refund policy**.

VISUAL APPROVAL:

In order to offer the highest quality service, we will create and send a Visual Mock-up to you at no charge. Additional changes may be charged at \$10.00 (C) per revision. Once you have approved the visual layout your

decision is final. Extra charges may be applied should you wish to make further changes to approved visuals of an order already in production. Cancellations are not accepted after this stage, but we will always try to assist you for the best possible service, but may be subject to up to 25% cancellation fee. We will not proceed until you have approved the proof(s)

If you fail to approve your visual mock up in time, and due to your delay in approval of the visual your deadline can't be met, your cancellation rights will be limited as we will have incurred time and charges up to this stage that may not be refundable. We will always do our best to please our customers, but you accept up to 25% cancellation charges.

COMPLAINTS OR CONCERNS PROCEDURE:

We take complaints very seriously and we are unhappy if you are not entirely satisfied with our services. If you wish to make a complaint or request a reprint or refund, please complete the contact us form immediately and provide us with your order reference number, email address and the reason for your complaint.

Please attach photos to help us further understand your complaint so we're then able to take the necessary actions Magnus Pen should be notified of any issues within 2 days of receiving the order up to a maximum of 15 days from delivery of the goods. **Please note:** that refunds will only be considered after Magnus Pen has been given every opportunity to rectify any issues with the order. We initially aim to offer a reprint or replacement if possible. We are unable to guarantee 100% perfection on goods you supply. Note up to 25% spoilage rate where we will not be responsible for the cost of damage caused due to printing, embroidery or the customization process.

Magnus Pen will not be liable for any loss or expenses sustained arising from any delay or failure in the delivery of

FAILED, OR DELAYED DELIVERY & PARTIAL DELIVERIES:

Magnus Pen will send out your order using a 3rd party courier company in accordance with your delivery deadline and will be able to provide documentary evidence for this. If the delivery is not achieved for whatever 3rd party reason, Magnus Pen will take no responsibility for loss or damage or delay to your order and Magnus Pen will not be responsible for refund of any form. We will attempt to recover costs and expenses from the 3rd party delivery companies we cannot guarantee any delivery or refund in these instances. At time of receipt, you should check the packaging immediately. By accepting delivery, you are confirming the packaging and delivery is in perfect order.

PARTIAL DELIVERIES & ERRORS ON THE PART OF OUR 3RD PARTY SUPPLIERS

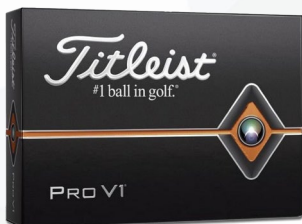

Magnus Pen supplies blank products from leading brands or are sent customer own ware and then customize them for our clients needs. Sometimes the leading brands and distributors send us faulty products within the full batch, or do not send us the correct amounts or sizes, which is completely out of the control of Magnus Pen. This means that production and delivery may be delayed, or an order may not be only partially delivered on the specified due date, as more products may need ordering and customizing at a later date. There may be extra charges applied to your order for the additional printing as we may have to reset all the customization machines specifically for the extra customization.

PRINT ONLY DELIVERY DEADLINES & CANCELLATION POLICY

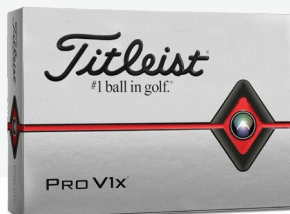

When you are supplying the items for customization, the stated deadline is a target deadline, but we cannot guarantee this until we receive the items for inspection. At quoting the phase we take it we can complete the customization, sometimes factors unknown to us at quoting stage can complicate an order and results in us having to cancel. We will always do our best to meet your deadlines and complete your orders to our best ability, in the case of print/ embroidery only orders. Please note that the order may be canceled upon receipt of the goods and that the final deadline will be confirmed when we physically receive the goods for a specific order.

ORDERING

- Distributors may place orders in writing by e-mail to artroom@magnuspen.com, by fax, or by mail complete with artwork. To avoid duplication, please use one of these methods only.
(DO NOT SEND YOUR EMAIL TO ALL EMAIL ADDRESSES)
- Please do not send your order directly to an individual email address, as this will result in processing delays.
- Verbal orders are not accepted.
- Magnus assumes no responsibility for a hand-written purchase order that is misinterpreted.
- Order acknowledgments will be sent automatically by e-mail or by fax.
- It is the distributor's responsibility to check for accuracy and advise Magnus of any omissions or errors on your order acknowledgment or paper proof.
- Magnus list price and minimum quantities are subject to change without prior notice.
- Magnus shall not be responsible for any damage or loss incurred by the purchaser as a result of changes to the list price. This includes but is not limited to direct, indirect, incidental, punitive or consequential damages or any other damages whatsoever.
- This includes without limitation, any loss of use, lost profit, lost data, lost opportunity arising out of an action from contract with a third party and an action for negligence or tort or otherwise.
- In the case of a price discrepancies, error or omissions in Magnus most current catalogue or sales material the corrections will be made on the Magnus pen website.
- Magnus pen internet website information will supersede those found in the catalogue or sale material.
- It is understood that our customers have written approval authorizing the use and duplication of all logos we are asked to produce.
- A customer must be able to produce such evidence if Magnus request it.
- Magnus will not be held responsible for any design or copy right infringement.

PURCHASE ORDERS

- PO's should be type-written on customer's official PO form or company letterhead.
- The PO should include Customer's name, address, phone number, Fax number, email address, PO number, Item name/number, unit price, quantity, item colour, decoration colour/colours, decoration location, Isacord Thread colour number, responsible person, contact information, Paper proof required yes/no, ship method, ship to address, in- hands or ship date and any other necessary information. Please do not use symbols in your subject line or to save files.

TERMS

- Net 30 days for established distributors paying by cash or cheque.
- All orders are prepaid until credit is established, we accept payment by Credit card, certified cheque or money transfer.
- All orders are subject to credit approval. Contact the credit department for more details. We accept VISA, Master Card, American Express, Email Money Transfer and PAYPAL. (PayPal@ magnuspen.com)
- **Payment by Credit Card will incur 3% Service Charge if paid after 10 Days.**
- Delinquent accounts 30 days past due will automatically be reverted to cash payment terms.
- NSF cheque will incur a service charge of \$50.00 net.

REPEAT ORDERS

- Please reference previous purchase order number, invoice number or job number, otherwise order will be treated as new.
- Repeat orders more than two years old, new artwork is required, as these files may have been purged from our files. Set-up charges applies on all orders including repeat orders.
- Paper proof will not be sent unless requested, except for large volume order or if we require clarification of your art work.
- If your art work is changing even slightly please indicate your order is repeat with change.

ORDER CHANGES/CANCELLATIONS

- Changes or cancellation of a purchase order are required in writing and must be acknowledged by Magnus for the change to become effective.
- If a customer does not receive confirmation of the change/cancellation, it may not have been received. Check with your CSR.
- It may not be possible to cancel an order if the order is in production.
- Please contact customer service prior to sending your order change/cancellation.

RUSH SERVICE and CONDITIONS

- There is a \$50.00 (C) charge for a rush order.
- No paper proof will be provided on rush orders.
- Rush orders required camera ready artwork and are subject to credit approval.
- Purchase order should be received complete, by 12 noon or time stipulated by CSR.
- Magnus is not responsible for delays due to incomplete, no receipt or late purchase order or orders held for credit reason.
- Important: Please advise and confirm timing with our customer service team when you submit a rush order.

PRODUCT SOURCING

- Should you require any item not listed in our catalogue or website please communicate with us and we will happily source it for you.
- Please note that offshore minimums may apply.

CATALOGUE ILLUSTRATIONS

- In this catalogue, we have illustrated some of our products with various trademarks.
- It is not our intention to misrepresent or misuse any trademark. We do this for illustration purposes only.
- Product colours and product size shown in this catalogue may vary from actual products due to catalogue printing process, inherent limitations in photography and film separation and printing.
- Magnus reserve the rights to change the colour or finish of a product without notice.

FACTORY CHANGE

- During the Covid-19 global pandemic Magnus may at its discretion make exception to our rule to production times.
- Prices, items and colours, terms and condition are subject to change or can be discontinued without notice.
- Due to the nature of the materials in manufactured products, we do not guarantee exact product colour or finish matches with orders or on repeat orders.

- Similar named colours in different materials may not be an exact colour match.
- We will strive to provide you with exact matches where possible.
- Magnus strives for continuous improvement and therefore reserve the right to change specifications without notice.
